

# BAINS

'BAINS' is the deeply rooted story of my elder brother the boxer. Floating like a butterfly and stinging like a bee, he became an unrivalled champion. Boxing being the lifeblood for my brother provoked thought of what strength, beauty and poise is. The juxtaposition of boxings' toughness in contrast to the elegance of a woman, is what fuels my fire to birth a collection that yields infinite strength and supremacy. Through the sister lens, 'BAINS' illustrates a new and distinctive view of boxing both as a sport and aesthetically. 'BAINS' is ultimately my genesis, my heritage, and my blood. The exploration of my heritage amidst the solidity of boxing is what empowers the collection to uphold a sense of power and being unstoppable, showcasing the undefinable beauty of a woman, and redefining what strength is.
